

# 2025 - 2026 OSHA Safety Calendar

OSHA regularly highlights safety-specific topics aimed at reducing job site hazards and creating safer overall environments. In addition, your BCH team offers [insights](#) and [resources](#) you can use to help mitigate risks in the workplace. Here, we've pulled that important information together into one convenient place.

Take note of upcoming safety events, and pass word along to your employees. It's all about making risk management more manageable and being there for your team **when it matters**.
